Bean Crisps. Bean Crisps

## 8. [Bean Crisps](#)

These satisfying chips are made with a variety of beans, corn and a bit of oil and salt, and that's it. The beans are popped for a light and crispy and very engaging texture. Really delicious, and also visually appealing. Salt of the Earth was the favorite flavor (we tend to be purists), but they also come in Cha-Cha-Chili. Vegan. Gluten-Free, Non-GMO. [More »](#)
